Government has been providing fee reimbursement to students, belonging to various weaker sections of the Society who are pursuing education above the +2 level. In all such cases the Student is admitted into the educational institution without up front payment of tuition fee and special fees. The sanction and reimbursement of such fees are made subsequently, during the course of the academic year, directly to the concerned educational institutions by the respective departments of the Government e.g. SC / ST / BC / WOMEN / Minority Welfare Department.

2. Government observes that there is a need to set up a 'monitoring mechanism' to avoid possible delays in release of the reimbursement amounts to various institutions since such delays would adversely affect their smooth functioning.

01.	Chairman, A.P.State Council of Higher Education, A.P., Hyderabad.	Chairman
02.	Principal Secretary to Government, Higher Education Department.	Member

4. The Committee constituted in Para (3) above shall constantly monitor the sanction and release of the tuition and special fees to the educational institutions concerned in time in order to avoid hardships both to the students as well as to the educational institutions in the State. The 'Committee' shall also monitor matters relating to the sanction and disbursement of scholarships released by the Government of India, to the meritorious students pursuing their Higher Education

and ensure avoidance of duplication in sanction of fee reimbursement and scholarship.

5. The Chairman, A.P.State Council of Higher Education, A.P., Hyderabad, is requested to take necessary further action accordingly.
